THE BUBBLE -izer

Chart how much you have raised in donations from your sponsors. Fill in your Bubble-izer Bubbles every week until your Bubble Rush day!

And then fill in your grand total!

A collection of seven bubbles of different sizes arranged in a descending staircase pattern from top-right to bottom-left. The largest bubble at the top is labeled 'TOTAL' and contains a large pound symbol (£). The other six bubbles, which decrease in size, each contain a smaller pound symbol (£). Each bubble has a small circle on its left side, suggesting they are meant to be attached to a string.
